We have a 10yr old male boxer, Lord, which has been dropped off at the kennels in Montferrer. He had tumours in his mouth and we believe that this is the reason why he was given up. We've had them removed and analysed with the results coming back as negative for cancer. He's now looking for a new home so if anyone is interested in adopting him please contact me on: 843 102 or [arnout.kok@andorra.ad](mailto:arnout.kok@andorra.ad). Lord is good in the car, sits and walks to heal.

### WHERE I HAVE & HAVE NOT BEEN

I have been in many places but I've never been **in Cahoots**. Apparently, you can't go alone. You have to be in Cahoots with someone.

I've also never been **in Cognito**. I hear no one recognizes you there.

I have, however, been **in Sane**. I have been there several times, thanks to my friends, family and work.

I have also been **in Doubt**. That is a sad place to go and I try not to visit there too often.

I've been **in Flexible** but only when it was very important to stand firm.

Sometimes I'm **in Capable** and I go there more often as I'm getting older.

One of my favourite places to be is **in Suspense!** It really gets the adrenalin flowing and pumps up the heart! But one place I don't ever want to be is **in Continent**.....
